

CELEBRITY PIE EATING CONTEST!!

Matt took home first place!! (and maybe a tummy ache too)

EZ Rock and Eastlink dove face first into the competition

One of the top draws of our annual Blueberry Festival is the laugh-packed feed-fest called the Celebrity Pie Eating Contest. This year saw last year's defending champion, Amy Dodge from Eastlink, up against some stiff competition from challengers old and new who were ready to 'get down and get berry.' Other contestants included: CTV weather girl Ashley Molnar, HOT 93.5 DJ Matt Sampaio, Rewind 103.9's Jaime P, and many other talented good sports from The Northern Life, Q92, EZ Rock 105.3, KICX 91.7, Le Voyageur and more. Thanks to all participants. You guys are Blue-tiful!

**THE HOURGLASS:
 NEW & CELIAC FRIENDLY**

SUMMER'S HERE! We all wait for it, but remember, it flies by fast. One great way to enjoy the summer is on the patio at The HourGlass Restaurant & Lounge. Take every opportunity to enjoy this great outdoor dining, even during your work day.

It's the perfect way to soak up sunny days. You can choose main level or upstairs (coming soon). Their menu items range from burgers and steaks, to pastas, fish, and gluten free options for people with celiac disease. Planning a party? Book the private party room for up to forty people. Their classically trained chef and her team make almost everything they serve in-house. The lounge area is modern and comfortable, with the charm of classic yesteryear. Contact Brad and Cindy at 674-5277, 183 Cedar Street, or visit www.thehourglassrestaurant.ca
